Disinformation : 22 Media Myths That Undermine the War on Terror Richard Miniter

Bin Laden was trained and funded by the CIA. The Bush Administration killed 100,000 civilians in Iraq. The Jews who worked at the World Trade Center were warned not to work on Sept. 11. These are just some of the myths that have appeared in mainstream media outlets. Collectively, these myths undermine wartime U.S. morale and confuse the discussion of vital issues. Here Miniter debunks the myths of the left (and the right) with hard evidence, high-level interviews and on-the-ground reporting in more than a dozen countries.
