Fantastic Collections: A Coloring Book of Amazing Things Real and Imagined (Fantastic Cities)

In this newest coloring book by the author of the internationally bestselling *Fantastic Cities* (more than 400,000 copies in print), artist Steve McDonald uses his unique photo-based approach to create beautiful and intimately detailed line drawings of amazing collections of objects. Finding inspiration in the unusual (museum collections, antiques, and quirky toys) and the everyday (leaves, butterflies, vintage cameras, store product displays), McDonald creates playful and immersive illustrations that are as lovely as they are fun to color. The quality of the large, crisp white pages are conducive to a range of applications, while a middle margin keeps all the artwork fully colorable. A dozen meditative mandalas created from the drawings round out this gorgeous adult coloring book.
