The Art of Playing Mythos the Cthulhu Collectable Card Game: A Tome of Arcane Knowledge Scott David Aniolowski, Charlie Krank

Mythos is the most innovative collectable card game on the market. Unlike most collectable card games, it does not use a boardgame rule system. Instead, it goes back to traditional card games like Hearts, Bridge and Poker for its mechanics. This enables a simple and elegant rule set without the complicated timing problems of other games. It also means that everyone in the game is always involved, never having to wait while others complete their turn.
