## **Watching Amanda (Zebra Romantic Suspense) Janelle Taylor**

Passion, danger, and the mysteries of the human heart--Janelle Taylor explores them all in her breathtaking bestsellers. In her latest novel of romantic suspense, a struggling young mother inherits a fortune--and becomes the target of a deadly obsession. . .

### **Someone's Watching. . .**

Amanda Sedgwick never wanted anything from her rich father except love, but William Sedgwick gave her nothing during his lifetime. Now that he's dead, everything has changed. Overnight, Amanda goes from being a single mom with a dead-end job that barely covers the rent to a fabulously wealthy heiress. Her inheritance comes with several conditions, however, one of which is the man who will be making sure she follows her father's eccentric rules to the letter. . .

### **And It's Not Who She Thinks.**

Ethan Black isn't happy about what William Sedgwick asked him to do--but he owes the old man his life, literally. Playing babysitter to a young woman who barely knew her father when he was alive is hardly what he had in mind, but Amanda is far from the gold-digging brat Ethan expected. Falling in love definitely wasn't in his job description--nor was putting his life on the line when it becomes terrifyingly clear that he isn't the only one watching Amanda. . .
