This is the moving story of a teenage bride who is forced back to the high-school life she thought she'd left behind. For seventeen-year-old Tam, running off to marry her musician boyfriend is the ideal escape from her claustrophobic life on the island, and the ultimate rebellion against her father and stepmother. But when Tam becomes a widow just weeks later, the shell-shocked teen is forced to find her way forward by going back to the life she thought she'd moved beyond—even as her struggle to deal with her grief is forcing her to reinvent herself and reach out to others in ways she never imagined.
