America Dreaming: How Youth Changed America in the 60's Laban Carrick Hill

Laban Hill, author of the acclaimed *Harlem Stomp*, is back with an in-depth exploration of America in the 1960's and the young people who built a new world around them and changed our society significantly.

Like *Harlem Stomp*, *America Dreaming* is an educational and visual look into a time of energy and influence. Covering subjects such as the civil rights movement, hippie culture, black nationalism, and the feminist movement, Hill paints a sprawling picture of life in the '60's and shows how teenagers were on the forefront of the societal changes that occurred during this grand decade.
