## The Competition

Seventeen-year-old Avery VanDemere's ridiculously wealthy grandmother has decided to leave the family fortune to the relative who proves him or herself worthiest--by solving puzzles and riddles on a whirlwind race around the globe.

## The Contenders

For Avery, the contest offers a chance to escape. As the black sheep of the VanDemere clan--the illegitimate daughter, sent away to boarding school--she'd love to use that prize money to run away from the family who ostracized her . . . and discover the truth about her long-lost mother.

Marshall might be Avery's uncle by blood, but there's no love lost between them. He'll do anything to win, even if it means turning on his own children.

Riley is the charming son of Grandmother VanDemere's lawyer. As the game progresses, Avery finds herself drawn to him--even though she isn't quite sure she can trust him.

## The Winner?

Treacherous turns in the competition serve as brutal reminders that only one person can win it all. Is Avery willing to risk both her heart and her life to claim the grand prize?
