Teaching Kids with Mental Health & Learning Disorders in the Regular Classroom: How to Recognize, Understand, and Help Challenged (and Challenging) Students Succeed Myles L. Cooley

Written for all classroom teachers, this book helps you learn about a wide variety of mental health disorders and learning problems, including how to recognize the symptoms, respond appropriately, and meet students' learning needs. Written by a clinical psychologist, this user-friendly, jargon-free guide describes mental health and learning disorders often observed in schoolchildren, explains how each might be exhibited in the classroom, and offers expert suggestions on what to do (and sometimes what not to do).
