Destined to Survive: A Dieppe Veteran's Story Jack A. Poolton

Private Jack Poolton was among the Canadians landing at the disastrous raid on Dieppe. Fortunate to have survived, Jack was taken to a prisoner of war camp in Germany. In *Destined to Survive: A Dieppe Veteran's Story*, Jack Poolton relates the story of his training, capture, and experiences in the POW camp. We follow Jack's three escape attempts, and his subsequent punishment. And we share his elation when Jack and his fellow prisoners are liberated by American soldiers.

Poolton and the other POWs never lost their desire to escape. Throughout the ordeal, Jack dreamed of one day celebrating the end of the war, and an allied victory. He eventually celebrated V-E Day in England.

Written as a tribute to the fifty-fifth anniversary of the Dieppe Raid, *Destined to Survive* is an extraordinary contribution to Canadian military history. Poolton's honest prose reveals the emotions of a man devoted to King and country, and determined to survive at all costs. The gripping account brings the reader to a new understanding about soldiers, prisoners, and war.

Melissa Peterson:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Destined to Survive: A Dieppe Veteran's Story can make you sense more interested to read.
