## Just Desserts: A Simon Bognor Mystery (Simon Bognor Mysteries) Tim Heald

When a restaurateur dies suspiciously, Bognor is forced to eat his way to the truth. Dinner service is over, the staff has left, and Escoffier Savarin Smith is about to tuck into a couple of bottles of champagne. He seals the windows with electrical tape, fiddles with a canister of gas, and begins to drink. When his staff arrives the next morning to open the restaurant, the champagne is drunk, the air has been poisoned, and the greatest chef in England is dead—seemingly by his own hand. For Board of Trade investigator Simon Bognor, this is a crushing blow. Although he moves through life in a permanent state of near-bafflement, Bognor knows his way around a restaurant, and Smith's was the finest in Britain. It was also a clearinghouse for international espionage, which may have led to the chef's peculiar demise. Although usually hesitant to put himself in danger, for once Bognor is unafraid. After all, there are great meals at stake.

'Dazzling and star-spangled [prose].' -Dorothy B. Hughes, author of *In a Lonely Place*

'Crime with a P.G. Wodehouse flair.' -Chicago Tribune

'A constant pleasure.' -The Daily Telegraph
