Book 2 in the Impatiens series.

Christian Gallagher joins Superior Bodies, a shabby, poorly run gym whose only attractions are that it is owned and operated by gay lovers and is five blocks away from his house. Confident the club will fail without his investment and leadership, Christian buys into the operation and, with the help of Samia Siva, SB's only female member and his new BFF, turns the place into a high-end gay gym and bathhouse. Not satisfied with rescuing the club, the formidable pair rescue its members from getting busted for turning tricks at Orlando's Lake Underhill Park, working out with the gym's idiot trainer-in-residence and, most importantly, making a bad gay porn remake of "Ice Castles," though, really, can there be a good one? Enjoy Christian and Samia enjoying themselves as they develop their Superior Bodies.
