**Cine Igualdade (Portuguese Edition)** Thereza Cristina Bohlen Bitencourt Marcondes

Através da história do cinema notamos os posicionamentos da sociedade e do direito e a forma como eles se modificam ao longo do tempo. A minoria LGBTT, quase invisível, começa lentamente a verificar uma abertura, se tornando pouco a pouco merecedora de direitos.

Diante da diversidade de culturas, povos e modos de vida que temos em um só lugar, passa-se a não ser mais possível regimes ditatoriais e excludentes, a maioria dos “iguais” deixa de ditar as regras, a igualdade formal que se dispõe nas leis já não é mais suficiente, passamos por uma nova era.

O cinema auxilia o direito dando-lhe a abertura necessária para a compreensão da carga afetiva das palavras e de como a igualdade deve ser aplicada em um Estado Democrático de Direito.
