Confused and angry, Dr. Sarah Wainwright returned to the Georgia island of St. James in search of answers to her husband's mysterious death — in an apparent lovers' tryst with the wife of wealthy industrialist Trent Donner. Anger seemed to be the only edge Sarah had — Trent's control of the island and his protectiveness for his young daughter were enough to drive even this scandal back into the shadows.

A man whose life depended on keeping his secrets; a woman whose future depended on learning the truth — could her quest set them free, or would it destroy them all?
