**Las diez mareas del cambio (Eldiario.Es Libros) (Spanish Edition)** Juan Luis Sánchez

Este libro es una guía, un manual para entender y poner en común diferentes movilizaciones ciudadanas (mareas) que, sin estar adscritas a ninguna fuerza política o sindical concreta, están redefiniendo la masa crítica en España. ¿Por qué son diferentes a las movilizaciones del siglo XX? Marea blanca, verde, azul, transparente...

Informativa, feminista, tecnopolítica... Presentamos 10 mareas que confluyen en una nueva manera de entender los derechos y la vida política.
