**Literatura y anarquismo en Manuel González Prada (Estudios Culturales) (Spanish Edition)** Juan Guillermo Gómez García

Al ensayista peruano Manuel González Prada (1844-1918) se le considera uno de los pensadores más influyentes de la vida intelectual de su país, al lado de José Carlos Mariátegui. La inagotable fuente de su pensamiento radical es estudiada en esta obra en forma innovadora. Las preguntas por la característica nacional peruana, el legado de la España tradicional, contrarreformista y barroca, y, sobre todo, la impronta del movimiento anarquista de raíz hispánica en su obra, son planteadas con nuevos y renovadores conceptos literarios, históricos y sociológicos.
