Zionism, Militarism and the Decline of US Power James Petras

##Following in the train of two highly successful books addressing the influence of Israel on US Middle East policy and the onerous effects of support for Israeli interests that have resulted, Petras pursues this theme to illustrate how the conjunction of Israeli domestic influence in the US, spurring and combined with US militarism, has now led to a decline in U.S. power around the world. #James Petras is a Bartle Professor (Emeritus) of Sociology at Binghamton University, New York. He is the author of 63 books published in 29 languages, and over 560 articles in professional journals, including the American Sociological Review, British Journal of Sociology, Social Research, and Journal of Peasant Studies. He has published over 2000 articles in nonprofessional journals such as the New York Times, the Guardian, the Nation, Christian Science Monitor, Foreign Policy, New Left Review, Partisan Review, TempsModerne, Le Monde Diplomatique, and his commentary is widely carried on the internet.
