## **Architectural Details 2003** Detail Magazine

This is a compilation of the full year's information, including: the "Discussion" section, where well-known architects and critics as well as specialist authors and architectural historians articulate their views; the "Documentation" section containing an analysis of selected projects, in which buildings from around the world are covered in depth; and the "Technology" section where the specific theme of each issue of the magazine is treated in greater depth. Along with these are illustrations of the high standards that Detail is known for, where all plan drawings are true to scale and have been approved by the architects, planners and engineers responsible for the original design.

This annual sourcebook is a beautiful record, not only of the year's Detail publication, but of some of the best, and most innovative contemporary architecture
