Basculamento soffice secondo Thekkekara (Italian Edition) Jacob Thekkekara, Predip Thekkekara

Il basculamento soffice è un metodo naturale e indolore che ho ideato agli inizi degli anni '70, dopo essermi laureato in scienze naturali in India e aver approfondito da autodidatta gli studi sulla medicina orientale. Nel corso degli anni il basculamento soffice ha subito diverse evoluzioni soprattutto grazie al fondamentale e importantissimo contributo di mio figlio Predip che dopo aver conseguito una laurea in medicina indiana e frequentato diversi corsi di medicina tradizionale cinese ha saputo coniugare elementi della medicina indiana e cinese, evolvendo notevolmente il basculamento soffice.

Sono un uomo di scienza, quindi prima di far conoscere il basculamento soffice ho voluto verificare che esso avesse una validità scientifica; gli strumenti che mi hanno permesso di dimostrare l'efficacia e la validità del mio metodo sono stati la tomografia assiale computerizzata meglio nota con la sigla TAC e la risonanza magnetica conosciuta come RMN, sottoponendo i pazienti a questi esami prima e dopo il trattamento sono stato in grado di dimostrare che le manovre del basculamento soffice creavano un forza opposta a quella che aveva portato alla fuoriuscita del disco. In questo ebook utilizzando un linguaggio semplice e comprensibile a tutti ho voluto spiegare quali sono i componenti e i meccanismi che regolano la colonna vertebrale, ho cercato di illustrare come funziona il basculamento soffice, con la dimostrazione scientifica e le testimonianze dei pazienti guariti.
