- Bible-reading program that transforms lives and the church experience
- Develops the power of a daily disciplined spiritual practice

Despite the fact that Episcopalians are among the best-educated Christian groups in the United States, they also rank among the least biblically literate denomination. The author maintains “we can do Bible better” and shows why it is absolutely critical to do so.

How can this weakness become a strength and source of spiritual growth for Episcopalians, their churches, and dioceses? As an evangelist for biblical literacy and spiritual nourishment, Zabriskie shows the way forward for the Episcopal Church and the Anglican Communion.
