The Feminist Spectator as Critic

Jill Dolan

The Feminist Spectator as Critic Jill Dolan

The Feminist Spectator as Critic broke new ground as one of the pioneering books on feminist spectatorship, encouraging resistant readings to generate feminist meanings in performance. Approaching live spectatorship through a range of interdisciplinary methods, the book has been foundational in theater studies, performance studies, and gender/sexuality/women's studies. This updated and enlarged second edition celebrates the book's twenty-fifth anniversary with a substantial new introduction and up-to-the-moment bibliography, detailing the progress to date in gender equity in theater and the arts, and suggesting how far we have yet to go.
