The Tao of Wu

The RZA

The Tao of Wu The RZA

A unique book of wisdom and experience that reaches from the most violent slums of New York City to the highest planes of spiritual thought by the RZA, founder of the Wu-Tang Clan and hip-hop's most exalted wise man.

The RZA, the Abbot of the Wu-Tang Clan and hip-hop culture's most dynamic genius, imparts the lessons he's learned on the journey that's taken him from the Staten Island projects to international superstar, all along the way a devout student of knowledge in every form he's found it-on the streets, in religion, in martial arts, in chess, in popular culture. Part chronicle of an extraordinary life and part spiritual and philosophical discourse, *The Tao of Wu* is a nonfiction Siddhartha for the hip-hop generation-an engaging, seeking book that will enlighten, entertain, and inspire.

The legions of Wu-Tang fans are accustomed to this heady mix-their obsession with the band's puzzlelike lyrics and elaborate mythology has propelled the group through fifteen years of dazzling, multiplatform success. In his 2005 bestseller *The Wu-Tang Manual*, the RZA provided the barest glimpse of how that mythology worked. In *The Tao of Wu*, he takes us deep inside the complex sense of wisdom and spirituality that has been at the core of his commercial and creative success.

The book is built around major moments in the RZA's life when he was faced with a dramatic turning point, either bad (a potential prison sentence) or good (a record deal that could pull his family out of poverty), and the lessons he took from each experience. His points of view are always surprising and provocative, and reveal a profound, genuine, and abiding wisdom-consistently tempered with humor and peppered with unique, colloquial phraseology. It is a spiritual memoir as the world has never seen before, and will never see again.

From reader reviews:

Jacqueline Bull:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This The Tao of Wu is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Paul Cockrell:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Tao of Wu, you can enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't have it, oh come on its referred to as reading friends.

Enrique Hayes:

You could spend your free time to learn this book this reserve. This The Tao of Wu is simple to create you can read it in the park your car, in the beach, train along with soon. If you did not include much space to bring the particular printed book, you can buy often the e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Marilynn Johnson:

A number of people said that they feel bored when they reading a publication. They are directly felt that when they get a half areas of the book. You can choose typically the book The Tao of Wu to make your own personal reading is interesting. Your current skill of reading talent is developing when you like reading. Try to choose simple book to make you enjoy to study it and mingle the impression about book and studying especially. It is to be initially opinion for you to like to open a book and learn it. Beside that the book The Tao of Wu can to be your brand-new friend when you're experience alone and confuse in doing what must you're doing of the time.
