In each installment of *7 Hours*, a character is visited by the enigmatic Thomas Constant, who makes a heart-stopping statement: “You are about to die. But you may choose from one of three options: Live seven more hours, travel back in time and relive seven hours, or accept the inevitable and die now.”

Luke Harrison is haunted by dreams of an imaginary past. Five years ago his wife, Arianna, fell victim to a horrifying degenerative disease, unraveling all of their dreams in an instant. Luke’s entire life is focused on her care and comfort.

But there is an approaching darkness, a malevolent Watcher who seems intent on taking Arianna from Luke.

Dreams and reality collide as Luke faces his own impending death. He doesn’t know what’s real anymore, and time is running out.

The clock is ticking. What will you do with the time you have left?
