At Home in the Tide Pool Alexandra Wright

AT HOME IN THE TIDE POOL looks at the creatures and plants found in the mysterious and wonderful world of the tide pool. Children will be fascinated by the amazing creatures and the slippery seaweed. Did you know that crabs can re-grow missing limbs? Or that starfish eat by pushing their stomachs out of their bodies through their mouths. AT HOME IN THE TIDE POOL will entertain and educate readers about life in the tide pool from low to high tide.

The informative text and brilliant illustrations offer a clear, detailed look at this miniature version of the ocean's vast ecosystem. The thought-provoking conclusion addresses the importance of keeping our water clean.

Lauren Barnett:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this At Home in the Tide Pool can make you sense more interested to read.
