## **Floating, Brilliant, Gone** Franny Choi

In her electrifying debut, Franny Choi leads readers through the complex landscapes of absence, memory, and identity. Beginning in loss and ending in reflective elation, *Floating, Brilliant, Gone* explores life as a brief impossibility, “infinite / until it isn’t.” Punctuated with haunting illustrations by Jess X. Chen, Choi’s poems read like lucid dreams that jolt awake at the most unexpected moments.
