**Lord Peter Views the Body (The Lord Peter Wimsey Mysteries Book 4) Dorothy L. Sayers**  
**Only Lord Peter has the wit to find the solution to these 12 baffling mysteries**

Some aristocrats spend their lives shooting, but Lord Peter Wimsey is a hunter of a different kind: a bloodhound with a nose for murder. Before he became Britain's most famous detective, Lord Peter contented himself with solving the crimes he came across by chance. In this volume of short stories, he confronts a stolen stomach, a man with copper fingers, and a deadly adventure at Ali Baba's cave, among other conundrums. These mysteries tax not just his intellect, but his humor, knowledge of metallurgy, and taste for fine wines. It's not easy being a gentleman sleuth, but Lord Peter is the man for the job.

*Lord Peter Views the Body* is the 4th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order.

This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.
