## **RHS The Garden Anthology: Celebrating the best garden writing from the Royal Horticultural Society** Ursula Buchan

An anthology of the best garden writing from the pages of *The Garden*, the magazine of the Royal Horticultural Society.

As well as revealing key moments from a time of intense change, this anthology paints a rich and intriguing picture of what gardening means today. The writers tell of plant-hunting and new gardening practices, fashion and growing food, whilst shedding light on the inner landscape of the thoughtful gardener.

Collected and curated by Ursula Buchan, herself an anthologist, *The Garden Anthology* presents a narrative of thoughts and opinions for keen gardeners to help navigate the gardening year, and comprises the best writing from more than the last 100 years.

This 320-page reading book includes short essays, opinions, thoughts and excerpts from 80 garden writers and designers including James Wong, Sir Roy Strong, Helen Dillon, Anna Pavord, E A Bowles, Gertrude Jekyll, John Brookes, Tim Richardson, Joy Larkcom, Hugh Johnson, Nigel Slater, Lia Leendertz, Ursula Buchan, Nigel Colborne and Mary Keen under the universally-appealing subjects of: the kitchen garden; wildlife and wildflowers; gardens; garden design; the environment; plants; people; seasons and the weather.
