Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought)

Jonathan Kellerman

Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought) Jonathan Kellerman

This thought-provoking and timely book from a #1 *New York Times* bestselling novelist and noted child psychologist reveals the factors that often lead to explosive and shocking juvenile violence.

“Ethically and morally, kids are works in progress. Throw in psychopathy and you’ve got a soul that will never be complete.”

In this powerful, disturbing book, bestselling author and noted child psychologist Jonathan Kellerman shines a penetrating light on antisocial youth—kids who kill without remorse—asserting that “psychopathic tendencies begin very early in life, as young as three, and they endure.” Criticizing our quick impulse to blame violent movies or a “morally bankrupt” society, Kellerman convinces us that it is the kids themselves who need to be examined. Carefully.

How do children become cold-blooded killers? Kellerman warns that today’s aggressive bully is tomorrow’s Mafia don, cult leader, or genocidal dictator. Violently psychopathic youths possess an overriding need for power, control, and stimulation, and all display a complete lack of regard for the humanity of others. He examines the origins of psychopathy and the ever-shifting debate between nurture and nature, offering some controversial solutions to dealing with homicidal tendencies in children.

As timely as today’s headlines, more gripping than fiction, *Savage Spawn* is a provocative look at the links between society and biology, children and violence. Kellerman’s sobering message will remain with you long after the last page is turned.

BONUS: This edition includes an excerpt from Jonathan Kellerman’s *Guilt*.

From reader reviews:

Theresa Pepper:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is inside former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought) as your daily resource information.

Adria Jenkins:

Playing with family in a very park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought), you could enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.

Edward Schanz:

Many people spending their time frame by playing outside having friends, fun activity with family or just watching TV all day long. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, taking everywhere you want in your Cell phone. Like Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought) which is finding the e-book version. So , why not try out this book? Let's notice.

Sheila Collins:

What is your hobby? Have you heard in which question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person such as reading or as reading become their hobby. You need to know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You discover good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them are these claims Savage Spawn: Reflections on Violent Children (Library of Contemporary Thought).
