Sombras sobre Baker Street (Eclipse) (Spanish Edition) H.P. Lovecraft, varios autores

Sombras sobre Baker Street es una osada propuesta que mezcla dos de los universos más famosos y dispares de la historia de la literatura de misterio. Los relatos de este libro sitúan frente a frente al maestro de la deducción racional y los seres de pesadilla que habitan en los mitos de Cthulhu. Todo un reto que han aceptado autores de la talla de Neil Gaiman y Poppy Z. Brite, entre otros grandes nombres del género.
