The Glass of Fashion: A Personal History of Fifty Years of Changing Tastes and the People Who Have Inspired Them Cecil Beaton

Gorgeously repackaged, this reissue of the classic book presents the iconic photographer's expert and witty reminiscences of the personalities who inspired fashion's golden eras, and left an indelible mark on his own sense of taste and style. "The camera will never be invented that could capture or encompass all that he actually sees," Truman Capote once said of Cecil Beaton. Though known for his portraits, Beaton was as incisive a writer as he was a photographer. First published in 1954, *The Glass of Fashion* is a classic—an invaluable primer on the history and highlights of fashion from a man who was a chronicler of taste, and an intimate compendium of the people who inspired his legendary eye. Across eighteen chapters, complemented by more than 150 of his own line drawings, Beaton writes with great wit about the influence of luminaries such as Chanel, Balenciaga, and Dior, as well as relatively unknown muses like his Aunt Jessie, who gave him his first glimpse of "the grown-up world of fashion." Out of print for decades but recognized and sought after as a touchstone text, *The Glass of Fashion* will be irresistible to a new generation of fashion enthusiasts and a seminal book in any Beaton library. It is both a treasury and a treasure.

This book was represented how does the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. Often the writer made some research when he makes this book. Here is why this book appropriate all of you.

Violet Murray:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Glass of Fashion: A Personal History of Fifty Years of Changing Tastes and the People Who Have Inspired Them can make you truly feel more interested to read.

Delbert Storey:
