**The Pink Ribbon Path: Prayers, Reflections and Meditations for women with breast cancer** Mary Ussher

This book is an invitation to women with breast cancer, amid the whirlwind of medical activity, to find inner wholeness on the Pink Ribbon Path.

The Pink Ribbon Path is a path for healing and hope, which once embarked upon becomes a daily joy. The book offers comfort and strength to the thousands of women who go through breast cancer treatment every year, whether for the first time or otherwise. After treatment every year, whether for the first time or otherwise. After treatment, too, the Pink Ribbon Path seeks to help women find peace. It is a path for life, inviting a woman to feel rooted, rooted in herself and rooted in God, who is Love.

Written and compiled during Mary Ussher's journey through the cancer experience, from Diagnosis and Treatment, to After treatment, And After That again, The Pink Ribbon Path includes original prayers and reflections as well as extracts from a wide range of sources.

The series of inspirational meditations by Laurence freeman OSB in the final chapter are available to the reader in audio form through the Columba Press website [www.columba.ie](http://www.columba.ie).

All royalties from this book are going to the World Community for Christian Meditation.
