At the young age of eighteen, tragedy and a dark secret force Lara to flee all she has known and loved to start a new life. Now years later, with a new identity as Amy, she's finally dared to believe she is forgotten--even if she cannot forget. But just when she lets her guard down, the ghosts of her past are quick to punish her, forcing her back on the run.

On a plane, struggling to face the devastation of losing everything again and starting over, Amy meets Liam Stone, a darkly entrancing billionaire recluse, who is also a brilliant, and famous, prodigy architect. A man who knows what he wants and goes after it. And what he wants is Amy. Refusing to take "no" as an answer, he sweeps her into a passionate affair, pushing her to her erotic limits. He wants to possess her. He makes her want to be possessed. Liam demands everything from her, accepting nothing less. But what if she is too devastated by tragedy to know when he wants more than she should give?
