Echoes: The Boudhanath Teachings Thinley Norbu

In a very intimate, informal setting, Thinley Norbu, one of the most articulate voices of Tibetan Buddhism, gives a no-holds-barred explanation of the challenges Westerners face in authentically learning, practicing, and transmitting Buddhism, highlighting both the obstacles and the way to navigate beyond them.

In colorful, bustling Boudhanath--Buddhism's great pilgrimage site in Nepal--a group of Westerners gathered to speak with Kyabje Thinley Norbu Rinpoche about topics both mundane and sublime. This is the record of their lively dialogue. First published in an exclusive private edition some forty years ago, *Echoes* has now returned to reach a larger and broader audience who will be eager to share in this intimate exchange of questions and answers with a revered teacher.
