La profe responde (Guías para educar) (Spanish Edition) Cristina Gil Gil

Cuántas veces se quedan los padres boquiabiertos al recoger a sus hijos del colegio y descubrir que han sido capaces de comer solos lo que les han puesto, de desvestirse e incluso vestirse, de ordenar, de no llevar chupete... ¡Y sin llorar! Les gustaría grabarles y ver cómo consiguen las profesoras semejante maravilla.

Este libro refleja algunas de las inquietudes de los padres en el día a día con sus hijos y se encuentra repleto de buenos y prácticos consejos. Son fruto tanto de la propia experiencia de la autora (madre de tres hijos y profesora de educación infantil durante quince años) como de muchos otros padres con hijos en estas edades.

Cristina Gil Gil, con más de 20 años de experiencia educativa en las aulas con niños y con familias y más de una década como madre, esta zaragozana, esposa y madre de tres hijos, decide escribir un libro inspirado en todas esas familias con las que ha compartido la fantástica pero no fácil tarea educativa de los hijos.

Estudió Magisterio, especialidad Educación Infantil, en Zaragoza, realizó un Master en asesoramiento familiar por el Centro Villanueva. Actualmente sigue trabajando como profesora tutora de Educación Infantil en Fomento de Centros de Enseñanza y es moderadora en los cursos de orientación familiar, de Coef Aragón.

From reader reviews:

Jeanne Linder:

As people who live in the modest era should be revise about what going on or info even knowledge to make these people keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know what kind you should start with. This La profe responde (Guías para educar) (Spanish Edition) is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Gabriel Reed:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some study before they write to their book. One of them is this La profe responde (Guías para educar) (Spanish Edition).

Eddie Horton:

Playing with family in a park, coming to see the marine world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try matter that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love La profe responde (Guías para educar) (Spanish Edition), you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout folks. What? Still don't understand it, oh come on its identified as reading friends.

Thomas Manna:

Many people said that they feel bored when they reading a guide. They are directly felt this when they get a half parts of the book. You can choose typically the book La profe responde (Guías para educar) (Spanish Edition) to make your own personal reading is interesting. Your skill of reading proficiency is developing when you similar to reading. Try to choose straightforward book to make you enjoy to see it and mingle the impression about book and reading through especially. It is to be first opinion for you to like to start a book and examine it. Beside that the publication La profe responde (Guías para educar) (Spanish Edition) can to be your brand new friend when you're sense alone and confuse with the information must you're doing of that time.
