## Terapia & Animais: 1 (Portuguese Edition)

Terapia e Animais traz à luz informações sobre a Atividade Assistida por Animais (AAA) e Terapia Assistida por Animais (TAA), dirigidas a organizações, profissionais da área médica humana e animal, estudantes e voluntários que queiram se iniciar e se aprofundar nesse campo. Recheado de informações e com riqueza de detalhes, o livro discute temas úteis como: estrutura da área, formato ideal de trabalho, vínculos, adestramento, fisioterapia, além de ser em si um convite à reflexão sobre a consciência do homem no que diz respeito a sua própria vida. Com linguagem técnica e ao mesmo tempo sensível, Terapia e Animais recomenda procedimentos para a terapêutica por meio de animais, de acordo com a empatia entre proprietários, animais e classe de pessoas a serem assistidas por eles. Guia prático e objetivo, Terapia e Animais interpreta e levanta teses sobre temas ainda pouco abordados, como aspectos psicológicos desse tipo de trabalho e seus processos energéticos. O livro inclui depoimentos de profissionais da área de fisioterapia, psicologia, educação, adestramento e veterinária. Um livro enfim, para ser lido com a Mente e o coração.
