The Seekers (The Kent Family Chronicles Book 3) John Jakes

Against the backdrop of the harsh and unforgiving American frontier, Abraham Kent seeks to build a life and identity of his own

Continuing the saga of the Kent family, John Jakes turns his masterful eye to the settlement of the untamed American West. Abraham Kent, the son of Philip Kent and Anne Ware, fought valiantly on the frontier, only to return home to Boston and a life he doesn't want. Determined not to live in his father's shadow, Abraham and his young bride join the wave of pioneers carving out farms in the turbulent, dangerous West. But life on the nation's frontier soon becomes more than their fledgling family can endure. Furthering his reign as the living master of American historical fiction, Jakes unfurls the epic of *The Seekers*.

This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.
