Combining evocative haiku, informative text and luminous illustrations, *The West Is Calling* is a celebration, for our youngest readers, of one hundred and fifty years of British Columbia's history. Each detail-rich illustration depicts a particular moment in the province's dynamic saga, from pre-contact Haida culture, to the natural resources-fueled economic boom in the 1960s and beyond, to Expo 86, to the opening up of the North and the growing appreciation of First Nations' traditions.
