Hannah McKinnon

Time After Time: A heart-warming novel about love, loss and second chances Hannah McKinnon

Time After Time is a fresh and funny work of women's commercial fiction, which explores the romantic paths that could have been . . .

For fans of Laura Barnett and Dani Atkins, Hannah McKinnon has written a moving story that will resonate with any woman who has ever wondered, in a moment of frustration, "what if?".

Hayley Cooper, a powerful but now struggling lawyer, fantasizes about what her life would be like if only if she'd made different choices. It's understandable; the past two years have been hell. She barely sees her kids, her boss is trying to sabotage her, and her marriage is falling apart.

Burnt out, Hayley goes to sleep wishing for a different life. When she wakes up married to her first boyfriend, one she has not seen in over twenty years, she realizes there might be some truth in the saying "be careful what you wish for". Over a single weekend, like Ebenezer Scrooge, Hayley gets to see her life on other side of the white picket fence – not just with her first ex, but with each of her past loves. But is the grass always greener, and will she ever want to go home?
