Born to Be Hurt: The Untold Story of Imitation of Life

Sam Staggs

Born to Be Hurt: The Untold Story of Imitation of Life Sam Staggs

In a passionate and witty behind-the-scenes expose, the author of *All About "All About Eve"* takes on the classic 1959 Douglas Sirk film starring Lana Turner

Few films inspire the devotion of *Imitation of Life*, one of the most popular films of the '50s--a split personality drama that's both an irresistible women's picture and a dark commentary on ambition, motherhood, racial identity, and hope lost and found.

Born to be Hurt is the first in-depth account of director Sirk's masterpiece. Lana Turner, on the brink of personal and professional ruin starred as Lora Meredith. African-American actress Juanita Moore played her servant and dearest friend, and Sandra Dee and Susan Kohner their respective daughters, caught up in the heartbreak of the black-passing-for-white daughter in the 1950s. Both Moore and Kohner were Oscar-nominated as Best Supporting Actress.

The author combines vast research, extensive interviews with surviving cast members, and superb storytelling into a masterpiece of film writing. Entertaining, saucy, and incisive, this is irresistible reading for every film fan.
