Danny Dragonbreath and his friends are cooler than ever in book 11 of the comic series perfect for Big Nate and Diary of a Wimpy Kid fans

Danny Dragonbreath doesn't just have a cold. He *is* cold. His fire has gone out! And that's super-dangerous for a fire-breathing dragon like Danny. So, following a tip from his great-grandfather, Danny and his trusty friends Wendell and Christiana head to the farthest north to find the magical ingredient that will reignite his fire. On the way, the gang faces an extremely windy bridge, killer ice worms, and one very confused baby phoenix.

A perfect blend of text and comic panels, this goofy eleventh installment in the Dragonbreath series is guaranteed to make you laugh until smoke comes out of your nose!
