Meet the hot-bodied men of Hamilton Investigation & Security as they do whatever it takes to protect the women that have stolen their hearts.

When FBI Special Agent Kate Ross is injured in a drive-by shooting, Hamilton Investigation & Security (HIS) leader Jesse Hamilton, believing she is the target of a killer seeking revenge against him, pulls the full force of HIS into action to protect her.

Kate doesn't believe Jesse, the only man to make her seethe one minute and lust after him the next, when he approaches her with a note from the Facilitator stating someone he loves would die shortly, and he knows in his gut it's Kate. After a second attempt on her life, she can no longer fight his protection or her attraction to him.

After making a mistake that cost his wife her life, Jesse vowed never to love again, but Kate stirs something in him that puts his protective instincts into overdrive. Keeping her alive and out of his heart is more difficult than he expected. Then he makes a decision that could cost Kate her life. Is history due to repeat itself?

** *HIS Desire* is the 1st book in the HIS Series. Each book is a stand-alone, with no cliffhanger endings.
