La verdadera historia del fin del mundo, La (Spanish Edition) Sharan Newman

Como se han interpretado los simbolos del libro de Revelaciones del Nuevo Testamento a traves de los siglos? Realmente predijeron los mayas el fin del mundo para el 2012? En que fecha predijo Nostradamus que llegaria el fin de los tiempos? Como crecio la histeria en los 90 por el fin del milenio? Los meteoritos, el calentamiento global y la amenaza de una guerra nuclear son senales de que el fin esta cerca? Desde que las personas se dieron cuenta de que habia un principio y un fin, se han preguntado si el mundo esta destinado a terminarse. Con una prosa entretenida e inteligente, la historiadora Sharan Newman explora las multiples teorias desde las civilizaciones antiguas hasta nuestros dias sobre la destruccion del mundo. / In entertaining and sharp prose, historian Sharan Newman explores theories of world destruction from ancient times up to the present day; theories which reveal as much about human nature as they do about the predominant historical, scientific, and religious beliefs of the time.
