## Love Story of Yeats & Maud Gonne Margery Brady

A dramatic and compelling story of the great love of William Butler Yeats for Maud Gonne – the woman he immortalised in his poetry. Set in the late nineteenth and early twentieth centuries, this romantic tale unfolds against a background of political unrest and tenant agitation in Ireland. The poet William Butler Yeats is a central figure in the Irish literary revival, while Maud Gonne, a political activist, is passionately involved in the struggle for Irish independence. But this is not a dissertation about Yeats' work, nor is it about the history of the day or the political involvements of Maud Gonne. It is a love story, illustrated with some of the most poignant poems ever written. William Butler Yeats was an Irish poet, dramatist, and prose writer, one of the greatest English-language poets of the 20th century. He received the Nobel Prize for Literature in 1923.
