New Religions and the Theological Imagination in America (Religion in North America) Mary Farrell Bednarowski

"Bednarowski is especially good at elucidating the theological daring of these new American religions.... [She] demonstrates in a very few pages how... theology and group adherence made the individual count, a configuration simultaneously American, un-American, and important." ?Jon Butler

"The cultural confrontation with these `new religions' is very real and usually very misinformed. Bednarowski has gone to great lengths to dispel the ignorance." ?The Christian Century

"A groundbreaking study." ?Syzygy: Journal of Alternative Religion and Culture

Organized as a series of theological conversations about ultimate questions, this book offers a guide to the answers these six religions offer. Drawing heavily on sources from the movements themselves, it presents a balanced comparative account of the emerging theological systems of America's new religions.
