Self-sufficiency doesn't have to mean getting off the grid entirely. That level of independence isn't practical for most people. But even if you aren't ready for complete self-sufficiency, a backyard farm can provide an abundance of inexpensive food. Whether you're a first-timer who wants to start growing vegetables or an experienced gardener looking to expand a small plot into a minifarm, *The Everything Backyard Farming Book* has all you need, from growing fruits and vegetables to raising animals to preserving and storing food. With this common-sense guide, you will be able to take control of the food you eat - in an urban or suburban setting.
