## **The Lions Pride: Theodore Roosevelt and His Family in Peace and War (Oxford University Press Paperback)** Edward J. Renehan

In *The Lions Pride*, Edward J. Renehan, Jr. vividly portrays the grand idealism, heroic bravery, and reckless abandon that Theodore Roosevelt both embodied and bequeathed to his children and the tragic fulfillment of that legacy on the battlefields of World War I. Drawing upon a wealth of previously unavailable materials, including letters and unpublished memoirs, *The Lions Pride* takes us inside what is surely the most extraordinary family ever to occupy the White House. Theodore Roosevelt believed deeply that those who had been blessed with wealth, influence, and education were duty bound to lead, even--perhaps especially--if it meant risking their lives to preserve the ideals of democratic civilization. Teddy put his principles, and his life, to the test in the Spanish American war, and raised his children to believe they could do no less. When America finally entered the European conflict in 1917, all four of his sons eagerly enlisted and used their influence not to avoid the front lines but to get there as quickly as possible. Their heroism in France and the Middle East matched their fathers at San Juan Hill. All performed with selfless--some said heedless--courage: Two of the boys, Archie and Ted, Jr., were seriously wounded, and Quentin, the youngest, was killed in a dogfight with seven German planes. Thus, the war that Teddy had lobbied for so furiously brought home a grief that broke his heart. He was buried a few months after his youngest child. Filled with the voices of the entire Roosevelt family, *The Lions Pride* gives us the most intimate and moving portrait ever published of the fierce bond between Teddy Roosevelt and his remarkable children.
