## **Berlin Alexanderplatz (Portuguese Edition)** Alfred Böblin

Berlim. Década de 1920. Um cidadão, após cumprir pena durante quatro anos por assassinato, vê-se livre para começar uma nova vida. No entanto, a única convicção que Franz Biberkopf - personagem central desta obra - tem é a de se tornar e se manter decente. No início, guiado por esse forte sentimento, ele consegue andar no caminho do bem - até que algo acontece, ele não sabe dizer o quê, e sua vida acaba seguindo um rumo diferente, mais adverso. Mas "ora, Franz Biberkopf está bem de saúde, se fossem todos tão resistentes quanto ele. Nem valeria a pena narrar uma história tão longa sobre um homem, se ele nem ao menos consegue se firmar nas pernas". Berlin Alexanderplatz foi um marco da literatura expressionista alemã, em que a expressão do sentimento tem mais valor do que a razão. E o sentimento da época era o de uma nação derrotada e humilhada, o que contribuiu para que Alfred Döblin desse voz a esse desafortunado personagem.
