The Year in Urology

The Year in Urology

The Year in Urology 2004 is the second volume in the continuing series of annual reviews of this specialty. The authors once again give expert comment on the most important recently published literature on urologic diseases, crisply condensing each topic into just a few pages, making the information accessible and easily readable. Covering the complete range of clinical conditions that denote urologic disease, this single-volume resource in urology is the ultimate reference for urologists, surgeons, and primary care physicians.
